

### **Kit List for All About The Down**

Please ensure that you have all of this kit before meeting on the first morning of your course.

If you have any difficulty in obtaining the kit then email [james@offpiste.org.uk](mailto:james@offpiste.org.uk) for advice.

- **Shovel, transceiver and probe** (ensure the transceiver has fully charged batteries)
- Skis with touring bindings
- Ski boots (alpine or touring)
- Ski poles (having larger baskets is ideal)
- Food and drink to keep you going for the day
- Ski clothing
- Skins to fit your skis
- Goggles and sunglasses
- **Harness**
- A rucksack to put it all in – 30 litres is ideal
- Helmets are strongly recommended

It is possible to borrow the items in bold from us, but please do let us know in advance.

### **Where can I hire ski equipment?**

[Sanglards](#) in Chamonix offer a great service have their own parking, and you can hire ski touring equipment and transceivers from them too.

If you are staying in Argentière, then [Grand Montets Sports](#) are right at the bottom of the lifts making it easy to pick up your ski equipment.
