

Off Piste Rover – Engelberg Sample Programme

This is a sample itinerary, which may vary considerably. The exact itinerary will depend on the prevailing weather and snow conditions, and the group experience and aspirations.

Pre-Course

Arrive in Engelberg and meet at the Hotel Hoheneck. Pre-course meeting to plan the week.

Day 1

Introduction to off-piste skiing at Engelberg with two half-day sessions one looking at the fundamental skills needed for being effective off-piste skiing. Second session skiing some of the classic Engelberg runs. Refresher in avalanche rescue procedure etc.

Day 2

Off Piste Skiing at Engelberg. Ski coaching, with the aim of gaining confidence on more challenging terrain. There is also an opportunity to ski some of the longer runs and/or glacier skiing using the Engelberg- Titlis system.

Day 3

Ski touring day: with the aim of completing a short tour in interesting and varied terrain in the area surrounding Engelberg. With two of us there is the opportunity to offer local tours to match aspirations and conditions. e.g. Titlis Rundtour,

Day 4

Off-Piste Skiing Engelberg. Ski Coaching/Guiding, perhaps the day to build on those skills and try some of the steeper variations that Engelberg offers. Or simply ski some powder on the glacier.

Day 5

Ski touring day: with the aim of completing a mid length, medium altitude tour in interesting and varied terrain in the area surrounding Engelberg. This will involve practicing touring skills on ascents, efficient transitions & ski skills in descent. Possible venues include Mt Brisen which can be accessed by the freeride Haldigrat chairlift or the classic tour to reach Bannalper Schoneggeli (2249m).
